

**Integrated Pest Management (IPM) Professional - Position #187
Job Announcement**

The University of Maine Cooperative Extension is seeking an Integrated Pest Management Professional to deliver potato IPM programming in collaboration with the Potato IPM Crops Specialist in Aroostook County and Pest Management Specialist in Orono and provide statewide, on-site programming to the clientele of newly developed IPM Programs, e.g., Homeowner/Consumer IPM. This is a full-time, year-round position contingent upon funding and successful job performance. For a full job description with both required and preferred criteria and application instructions please visit: <http://jobs.umaine.edu>; To apply, please e-mail MS Word or PDF file(s) containing a letter of intent addressing the specific job requirements, resume, all transcripts, names, addresses, phone numbers and email addresses of three (3) references (and their relationship to the applicant) that may be contacted to sandra.vaillancourt@maine.edu. Please reference **POS#187** in the subject line of your email. If it is not possible to use the electronic application method, please fax your application to 207/581-3325 or mail to Sandra Vaillancourt, 5741 Libby Hall – Room 104A, Orono, ME 04469-5741. If you have any questions about applying, call Sandra at 207 581-3191. **Salary range** is \$30,170 – 37,500. Review of applications begins on October 22, 2010. The finalist for this position must successfully complete appropriate background checks.
