Buying Structural Pest Management Services: Smart Purchasing Reduces Pest Complaints and Pesticide Use

Oxford Palace Hotel, Los Angeles, CA

Facility Managers: *Interested in learning more about how you can reduce pest problems and pesticide use through IPM?*

Pest Management Professionals: *Want to learn about proven IPM approaches for challenging pests?*

Hear from pros with proven track records!

This full-day workshop will provide you with the skills you need to purchase or deliver high performance IPM for public and commercial facilities.

Buyers and providers of pest management services are encouraged to attend.

Course fee of \$75 includes binder with information materials, lunch and refreshments. Register by email, info@ipminstitute.org, call (608) 232-1528, or visit www.ipminstitute.org.

Instructors include **Dr. Al Greene**, US General Services Administration, who has reduced pest complaints by 89% and pesticide use by 93% in his government facilities; **Luis Agurto**, PESTEC; **Paul Cardosi**, Ecolab Pest Elimination; **Pat Copps**, Orkin Commercial Services; **Carl Doucette**, Innovative Pest Management; **Dr. Tom Green**, IPM Institute; and **Dr. Cheryl Wilen**, University of California Statewide IPM Program.

Coordinated by the IPM Institute of North America, Inc, and sponsored by the City of Santa Monica, the City of Los Angeles, Ecolab Pest Elimination, Innovative Pest Management, Orkin Commercial Services, PESTEC, the University of California IPM Program, the USDA Western Region IPM Center and Warner Bros. Studios.

Pest Control Applicator, Pest Control Advisor and Structural Pest Control Board continuing education units pending.
